Hauser -- Household market activities among early nineteenth-century Jamaican slaves : an archaeological case study from two slave settlements / Matthew Reeves -- Assessing the impacts of time, agricultural cycles, and demography on the consumer activities of enslaved men and women in eighteenth-century Jamaica and Virginia / Jillian E. Galle-- Identity and opportunity in post-slavery Jamaica / Kenneth G. Kelly, Mark W. Hauser, and Douglas V. Armstrong -- Epilogue: Explorations in Jamaican historical archaeology / Douglas V. Armstrong.

Sommario/riassunto

As a source of colonial wealth and a crucible for global culture, Jamaica has had a profound impact on the formation of the modern world system. From the island's economic and military importance to the colonial empires it has hosted and the multitude of ways in which diverse people from varied parts of the world have coexisted in and reacted against systems of inequality, Jamaica has long been a major focus of archaeological studies of the colonial period. This volume assembles for the first time the results of nearly three decades of historical archaeolo
