Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Storied contexts -- Living stories -- Storied accounts -- Seeking patterns -- Investigating patterns -- Locating assumptions -- Exploring paradigmatic assumptions -- Storied teaching.
Sommario/riassunto	This book encourages and enables faculty to deeply examine their teaching experiences, stories, and choices so real insight results. The author invites faculty to recall stories from their own biographies, demonstrates how to view these stories as critical incidents instead of mere reminiscences, and introduces an approach faculty can undertake to analyze then interpret these stories for the benefit of professional growth in teaching.
