Sommario/riassunto	Developing Deontology consists of six new essays in ethical theory by leading contemporary moral philosophers. Each essay considers concepts prominent in the development of deontological approaches to ethics, and these essays offer an invaluable contribution to that development. Essays are contributed by Michael Smith, Philip Stratton- Lake, Ralph Wedgwood, David Owens, Peter Vallentyne, and Elizabeth

Harman - all leading contemporary moral philosophers  
Each essay offers an original and previously unpublished contribution to the subject  
A significant addition to the field
