Eight Key Administrative Tools that Support Evidence-Based Programming; Chapter 8. Conclusion; Appendix: Needed Juvenile Justice System Reforms; References IndexAbout the Authors
Sommario/riassunto	A Handbook for Evidence-Based Juvenile Justice Systems promotes a comprehensive strategy for reducing criminal careers of serious, violent, and chronic juvenile offenders, including gang members, in an approach that is supported by current research. A step-by-step blueprint is provided for interrupting these offender's criminal careers with a combination of effective intervention programs and graduated sanctions in a research-based, data-driven, and outcome-focused approach.<
