Sommario/riassunto	The Errors of Atheism is a response to the glaring gap that exists in analytical philosophy on the concept of God. While there is the large body of work which either defends or challenges orthodox Christian theistic arguments, there is a lack of analytical philosophical work articulating agnosticism as a critique of both theism and atheism. Corlett argues that the conceptual depths of theism must be explored beyond orthodoxy in order to re-open the debate on the problem of God. The Errors of Atheism is not precommitted to a doctrine of either scientism or orthodox Christian theism. Instead, it
