Sommario/riassunto	'The combined analysis presented here of why current arrangements are failing the future and clear insights of the way to go, offer us hope.'Mary Robinson, President of Realising Rights, Ethical

Globalisation Initiative, and former President of Ireland and United Nations High Commissioner for Human Rights Environmental and human catastrophe looms ever larger for planet Earth. Powerful action is required now to turn a deepening global crisis into an unprecedented opportunity for positive change. This book shows how a dramatic transformation of how humans relate to the Earth, and to one another,
