Sommario/riassunto	In this important work, Joan Lombardi, one of Americas foremost experts on child care, shows how our current system is not meeting the needs of America's families and describes a vision for redesigning this system to promote healthy child and youth development. Both as an expert and as a parent, the author guides the reader through the problems that face the current child care system and outlines the possible solutions. Drawing on the most recent innovations from across the country, she offers fresh ideas for improving the quality and availability of child care, both for young children and tho
