Sommario/riassunto

Examine how your university can help solve the complex problems of your community. Community Outreach Partnership Centers (COPC) sponsored by the United States Department of Housing and Urban Development (HUD) have identified civic engagement and community partnership as critical themes for higher education. This unique book addresses past, present, and future models of university-community partnerships, COPC programs, wide-ranging social work partnerships that involve teaching, research, and social change, and innovative methods in the processes of civic engagement.
