Sommario/riassunto

Written by the late Patrick Wormald, one of the leading authorities on Bede's life and work over a 30-year period, this book is a collection of studies on Bede and early English Christian society. A collection of studies on Bede, the greatest historian of the English Middle Ages, and the early English church. Integrates the religious, intellectual, political and social history of the English in their first Christian centuries. Looks at how Bede and other writers charted the establishment of a Christian community within a warrior society. Features the first map of all known or l
