1. Record Nr.   UNINA9910829954503321

   Autore   Minnick Chris

   Titolo   Beginning react JS foundations building user interfaces with React JS :
                      an approachable guide / / Chris Minnick

   Pubbl/distr/stampa Hoboken, NJ : , : John Wiley and Sons, , [2022]
                      ©2022

   ISBN   1-119-68561-3
                      1-119-68563-X
                      1-119-68558-3

   Descrizione fisica 1 online resource (508 pages)

   Disciplina   005.437

   Soggetti   User interfaces (Computer systems)

   Lingua di pubblicazione   Inglese

   Formato   Materiale a stampa

   Livello bibliografico   Monografia

   Note generali   Includes index.

   Nota di contenuto Front Matter -- Hello, World! -- The Foundation of React -- JSX -- All
                      About Components -- React DevTools -- React Data Flow -- Events --
                      Forms -- Refs -- Styling React -- Introducing Hooks -- Routing --
                      Error Boundaries -- Deploying React -- Initialize a React Project from
                      Scratch -- Fetching and Caching Data -- Context API -- React Portals
                      -- Accessibility in React -- Going Further.

   Sommario/riassunto Quickly learn the most widely used front-end development language
                      with ease and confidence React JS Foundations: Building User Interfaces
                      with ReactJS - An Approachable Guide walks readers through the
                      fundamental concepts of programming with the explosively popular
                      front-end tool known as React JS. Written by an accomplished full-
                      stack engineer, speaker, and community organizer, React JS
                      Foundations teaches readers how to understand React and how to
                      begin building applications with it. The book: Explains and clarifies
                      technical terminology with relevant and modern examples to assist
                      people new to programming understand the language Helps
                      experienced programmers quickly get up to speed with React Is
                      stocked throughout with practical and applicable examples of day-to-
                      day React work Perfect for beginner, intermediate, and advanced
                      programmers alike, React JS Foundations will quickly bring you up to

speed on one of the most useful and widely used front-end languages on the web today. You can start building your first application today.
