Sommario/riassunto	A blueprint to successful value investing Successful value investors

have an ingrained mental framework through which all investments decisions are made. This framework, which stems from the father of value investing, Benjamin Graham-who believed that investment is most intelligent when it is most businesslike-can put you in a better position to improve the overall performance of your portfolio. Written by Sham Gad-founder of the Gad Partners Funds, a value-focused investment partnership inspired by the 1950s Buffett Partnerships-The Business of Value Investing effectively ex
