Hafstein and Martin Skrydstrup -- Corporate social responsibility : cultural practices on globalizing markets / Christina Garsten -- At the heart of Europe : the limits of expression in extreme right wing music scenes / David Murphy -- Particular places : toward an anthropology of cities / Christiane Schwab -- Medical anthropology and anthropological studies of science / Maryon McDonald -- Beyond virtual ethnography : the uses of the Internet in ethnographic research / Elisenda Ardevol and Aldofo Estalella -- Visual culture, ethnography and interactive media (a carnival of bricolage) / Terence Wright -- Hybrid worlds : theoretical and practical aspects / Elka Tschernokoshewa -- Creative writing : an anthropology of literary arts in Ireland / Helena Wulff -- Re-placing ourselves across space and time : an interdisciplinary meditation / Ullrich Kockel -- European ethnology and the anthropology of Europe / Jonas Frykman.

Sommario/riassunto

A Companion to the Anthropology of Europe offers a survey of contemporary Europeanist anthropology and European ethnology, and a guide to emerging trends in this geographical field of research. Providing a synthesis of the different traditions and contemporary approaches, the book is both thematic and fully cross-European in its approach. Provides an authoritative guide for researchers, instructors and students of anthropology and European studies. Discusses important emerging trends in this broadening field of research. Includes established names and rising stars who will shape the discipline in years to
