Sommario/riassunto	What is the true calling of the intellectual? In this provocative new book, Andrew Shanks presents a distinctive fresh answer. The Other Calling is a systematic riposte both to the elitism of philosophy in the heritage of Plato, and to the typical individualism of Plato's philosophic opponents. Here, instead, intellectual integrity is identified with a form of

priesthood.:; Asserts that intellectuals are critical to bringing together the common aspirations of a community.; Offers a strikingly original approach to the moral and political aspects of theology's relationship with philosophy, expl
