Sommario/riassunto	As head FX strategist at CMC Markets-one of the world's leading forex/commodity brokers-Ashraf Laidi understands the forces shaping today's currency market and their interplay with interest rates, equities, and commodities. And now, with Currency Trading and Intermarket Analysis, he shares his extensive experiences in this field with you.

Throughout the book, Laidi outlines the tools needed to understand the macroeconomic and financial nuances of this dynamic field and provides you with insights that are essential to making the most of your time within it.
