Descrizione fisica	1 online resource (547 pages)
Disciplina	658.151
Soggetti	Controllership
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"The definition of controllership is the position of controller, an individual in charge and in command of finance and accounting related processes. Controllers are process driven and always look for practical tools for their areas of responsibility and to advance their careers. These tools can extend the competencies and efficiencies of corporate and controllership processes"--
