Cotton -- Pathology / David Lewin -- Pediatric gastrointestinal endoscopy / Jonathan S. Evans and Lori Mahajan -- Training and credentialing in gastrointestinal endoscopy / Jonathan Cohen -- Towards excellence and accountability / Peter B. Cotton and Roland Valori.
	Sommario/riassunto	Essential new title in the Advanced Digestive Endoscopy series Advanced Digestive Endoscopy: Practice & Safety provides a practical manual on how to perform techniques safely and effectively in order to maximise value, and to reduce risks. Clearly structured, it covers training, endoscopy and imaging equipment, infection control, patient preparation and monitoring, complications and how to avoid and deal

with them. Expanding on the content of Peter Cotton's best-selling Practical Gastrointestinal Endoscopy, this instructive volume contains information and guid
