

1. Record Nr.	UNINA9910830417003321
Titolo	Steroid metabolism and estimation [[electronic resource] /] / general editor for the Ciba Foundation, G.E.W. Wolstenholme ; assisted by Margaret P. Cameron
Pubbl/distr/stampa	Philadelphia, : Blakiston Co., 1952
ISBN	1-280-59165-X 9786613621481 0-470-71878-1 0-470-71615-0
Descrizione fisica	1 online resource (218 p.)
Collana	Ciba Foundation colloquia on endocrinology ; ; v. 2
Altri autori (Persone)	WolstenholmeG. E. W (Gordon Ethelbert Ward) CameronMargaret P
Disciplina	616.4/027
Soggetti	Steroid hormones - Metabolism
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Proceedings of a conference held at the Ciba Foundation, London: the Conference on the Metabolic Breakdown of Steroids, held Aug. 9-11, 1950. Contains only book II, Metabolic breakdown of steroids.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Steroid Metabolism and Estimation; CONTENTS; BOOK II-METABOLIC BREAKDOWN OF STEROIDS; The metabolism of C19 steroids by individual tissues; Discussion; In vivo metabolism of C19 steroids; Discussion; Is dehydroisoandrosterone isolated from urine extracts an original 17-ketosteroid or a product of chemical de-gradation?; Discussion; The effect of androgens on the urinary excretion of steroid alcohols and a estrogens; Discussion; Excretion of steroids in a case of interstitial cell tumour of the testis; Discussion; Metabolism of neutral C21 and C19 steroids; Discussion Progesterone metabolism-a reviewDiscussion; The metabolism of progesterone in goats. The separation of urinary cortical steroids; Discussion; The intermediary metabolism of progesterone in human subjects; Discussion; The metabolism of progesterone and related compounds; Discussion; Metabolic studies on orally administered progesterone; Discussion; Blood progesterone in pregnancy;

Discussion; On possible relationships between the metabolic break-down of progesterone and its biological activity; Discussion; 11-Oxygenating enzyme system; Discussion; Metabolism of steroid hormones in human  
DiscussionThe influence of corticosteroids on carbohydrate and electrolyte metabolism in vitro; Discussion; Chairman's Closing Remarks
