Sommario/riassunto

Margin Trading from A to Z offers a step-by-step explanation of the mechanics of the margin account. Filled with in-depth insights and expert advice, this book uses a hands-on approach to show how a Regulation T Margin Call is arrived at; how it may be answered; and how an account looks once a call is issued and after the call is met. Other items covered by this detailed guide include minimum maintenance requirements, short selling, memorandum accounts, options, hedge funds, and portfolio margining. The book includes quiz questions and a comprehensive exam.
