Sommario/riassunto

Come behind closed doors and see real trades made by real traders. Dr.
 Alexander Elder leads you into 16 trading rooms where you meet
 traders who open up their diaries and show you their trades. Some of
 them manage money, others trade for themselves; some trade for a
 living, others are on the semi-professional level. All are totally serious
 and honest in sharing their trades with those who would like to learn.
 You will meet American and international traders who trade stocks,
 futures, and options using a variety of methods. All are normally very
 private, but now, thanks to their relat
