Sommario/riassunto	""James Altucher is scary smart, and also a font of great and original ideas. So it's no surprise that SuperCah is so much fun to read and so devilishly informative. It is equally full of 'holy cow!' moments and 'why-didn't-I-think-of-that?' moments. A true keeper.""-Stephen J. Dubner, coauthor of Freakonomics ""Altucher describes in easy-to-understand terms the strategies used by the smartest managers in the world-those who are running the hottest hedge funds-to show how they are making money today. SuperCah is a great primer for those who are looking to trade lik
