Nota di contenuto	In the beginning: religion and history -- Ming China: the fourteenth century's new world order -- The Buddha and the shogun in sixteenth-century Japan -- Opportunities lost: the failure of Christianity, 1550-1750 -- Buddhism: incarnations and reincarnations -- Apocalypse now -- Out of the twilight: religion and the late nineteenth century -- Into the abyss: religion and the road to disaster during the early twentieth century -- Brave new world : religion in the reinvention of postwar Asia -- The globalization of Asian religion.
Sommario/riassunto	Religious ideas and actors have shaped Asian cultural practices for millennia and have played a decisive role in charting the course of its

history. In this engaging and informative book, Thomas David DuBois sets out to explain how religion has influenced the political, social, and economic transformation of Asia from the fourteenth century to the present. Crossing a broad terrain from Tokyo to Tibet, the book highlights long-term trends and key moments, such as the expulsion of Catholic missionaries from Japan, or the Taiping Rebellion in China, when religion dramatically transformed the political fate of a nation. Contemporary chapters reflect on the wartime deification of the Japanese emperor, Marxism as religion, the persecution of the Dalai Lama, and the fate of Asian religion in a globalized world.

2. Record Nr.	UNINA9910830467303321
Autore	Pounder Bruce

Sommario/riassunto

As a result of the global convergence of financial reporting standards, U.S. GAAP is changing profoundly. U.S. GAAP is also being abandoned by many public and private companies, and will eventually be replaced by a higher-quality set of global standards. The Convergence Guidebook for Corporate Financial Reporting provides the timely, practical guidance that CFOs, controllers, and other financial managers need in order to prepare for the impact of Convergence on their companies, departments, and careers. Guidebook readers will also learn why they must begin preparing for ""the next big challenge.
