## Sommario/riassunto

A top forex trader reveals how to ease into this market and excel  
Trading the forex market has become one of the most popular forms of  
trading, mainly because of its twenty-four-hour access and the fact  
that there is always a bull market available in this arena. But not  
everyone is interested in quitting their jobs and spending all day trying  
to make a living trading. That's where Forex in Five Hours a Week  
comes in. This book shows readers how they can master a few  
techniques, focus their efforts on their choice of time frame, and profit  
in the forex market. Readers with a day
