Sommario/riassunto

Written with insight and humor, *College Sex - Philosophy for Everyone* investigates a broad array of philosophical issues relating to student sex. Examines the ethical issues of dating, cheating, courtship, homosexual experimentation, and drug and alcohol use. Considers student-teacher relationships, sexual experimentation, the meaning of sex in a college setting and includes two essays based on influential research projects on 'friends with benefits'. Many of the authors teach classes that explore the philosophy of love and sex, and most are scholars from the S
