| Sommario/riassunto      | This critical examination of racial equality takes a new approach to breaking down racial barriers by proposing a system of equal  |

opportunity through shared labor and contributive justice. Focuses on how race and class inevitably structure vastly unequal life prospects Shows how human society can be organized in a way that does not socialize children for lives of routine labour Looks towards contribution, not distribution, as a way to promote racial equality Argues that by sharing routine and complex labor, social relationships would be transformed, elim
