

1. Record Nr.	UNINA9910830541803321
Autore	Forrest Kirsty
Titolo	Healthcare simulation at a glance // edited by Kirsty Forrest, Judy McKimm
Pubbl/distr/stampa	Hoboken, NJ : , : Wiley Blackwell, , 2019
ISBN	1-118-87183-9 1-119-60402-8 1-118-87182-0
Descrizione fisica	1 online resource (98 pages)
Collana	At a glance series
Disciplina	610.11
Soggetti	Simulated patients Handbook
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"Provide an understanding of key terms used in simulation education and training. Enable understanding of the structure and processes involved in using simulation. Develop understanding of the theory and evidence underpinning simulation practice. Develop skills and knowledge as an educator. Practically focussed with examples of how concepts or approaches might be applied in practice"--Provided by publisher.
