Sommario/riassunto Race for Relevance provides a no-nonsense look at today's realities and how associations operate and what they need to do to remain relevant in the future. Based on more than 40 years of combined experience working with more than 1.000 organizations, the authors examine 5 key areas where the traditional approach that organizations have taken in the past needs to be altered. The 5 key areas of change are: Overhaul the governance model and committee operations (and get the right people focused on the right things). Empower the CEO and

leverage staff expertise. Zero in on
