### Sommario/riassunto

Developments In Collateralized Debt Obligations The fastest growing sector of the fixed income market is the market for collateralized debt obligations (CDOs). Fostered by the development of credit default swaps (CDS) on all types of indexes of corporate bonds, emerging market bonds, commercial loans, and structured products, new products are being introduced into this market with incredible speed. In order to keep up with this dynamic market and its various instruments, you need a guide that provides you with the most up-to-date information available. That's why Douglas Lucas, Laur
