	Nota di contenuto	The origins and persistence of state-sponsored militias -- Indonesia -- Iraq -- Iran -- Learning to live with states-sponsored militias.
	Sommario/riassunto	In this book, Ariel Ahram offers a new perspective on a growing threat to international and human security-the reliance of 'weak states' on quasi-official militias, paramilitaries, and warlords. Tracing the history of several ""high profile"" paramilitary organizations, including Indonesia's various militia factions, Iraq's tribal ""awakening,"" and Iran's Revolutionary Guard and Basij corps, the book shows why and how states co-opt these groups, turning former rebels into state-sponsored militias. Building on an historical and comparative empirical approach that emphasizes decolo

Skogan -- Community policing in the Netherlands : four generations of redefinition / Maurice Punch, Bob Hoogenboom and Kees van der Vijver -- The failure of "Ilotage" and "Police de Proximite" systems to withstand "law and order" rhetoric in contemporary France / Christian Mouhanna -- The development of community policing in England : networks, knowledge and neighbourhoods / Nick Tilley -- Community policing in contested settings : the patten report and police reform in Northern Ireland / Aogan Mulcahy -- In search of a process : community policing in Australia / Jenny Fleming and Juani O'Reilly -- Current developments affecting the Japanese Koban system of community policing / Noriaki Kawamura and Yasuhiro Shirakawa -- Japanese community policing under the microscope / Tom Ellis, Chris Lewis, Koichi Hamai and Tom

Williamson -- Knowledge-based policing : future directions -- Introduction to part 2 -- Knowledge management challenges in the development of intelligence-led policing / Jerry Ratcliffe -- A cross-cultural comparison of intelligence-led policing / Frederic Lemieux -- Reassurance policing, community intelligence and the co-production of neighbourhood order / Martin Innes and Colin Roberts -- Generating youth safety from below : situating young people at the centre of knowledge-based policing / Monique Marks and Jennifer Wood -- Identifying the neighbourhoods in neighbourhood policing : a geodemographic example of knowledge-based policing / David Ashby and Dr Foster -- Community policing and prediction / Nick Ross and Ken Pease -- Rethinking governance : conceptualizing networks and their implications for new mechanisms of governance based on reciprocity / Karen Stephenson -- Prioritizing crime problems in Belgium, according to strategic police planning : developing the national police security picture for Belgium by means of a multi-criteria decision-making model / Martine Pattyn and Paul Wouters -- Engaging communities and regulating partnerships -- Introduction to part 3 -- Neighbourhood policing and community engagement : police community support officers in the London Metropolitan Police / Les Johnston -- Integrated security : assembling knowledges and capacities / Julie Berg and Clifford Shearing.

| Sommario/riassunto | Recent trends within community policing suggest that the next generation of community policing will be more ""knowledge-based"", involving a shift toward a problem-oriented and strategic use of information as a basis for management and better use of police resources. The Handbook of Knowledge-Based Policing examines how knowledge-based policing can improve the effectiveness, equity and efficiency of community policing. With contributions from a mix of academics and practitioners, this volume: Critically evaluates the effectiveness of community policing in seven countries. <LI |
