Smith and Graeme Hugo -- The state's evolving relationship with urban society: China's neighborhood organizations in comparative perspective / Benjamin L. Read and Chun-Ming Chen.

Sommario/riassunto

Using an innovative approach, this book interprets the unprecedented transformation of contemporary China's major cities. It deals with a diversity of trends and analyzes their sources.; Offers a multi-dimensional analysis of urban life in China.; Highlights a diversity of trends in the areas of migration, criminal victimization, gated communities, and the status of women, suburbanization, and neighbourhood associations.; Each chapter includes input from both an expert on urban life in China and an 'outside' expert from the fields of sociology, geography, economics, planning, political scien
