Sommario/riassunto

""Set it and forget it"" investing, with less risk and higher returns Get Rich with Dividends is the bestselling dividend-investing book that shows investors how to achieve double-digit returns using a time-tested conservative strategy. Written by a nineteen-year veteran of the equity markets, this invaluable guide shows you how to set up your investments for minimal maintenance and higher returns, so you can accumulate wealth while you focus on the things that matter. Using the author's proprietary 10-11-12 system, you'll learn how to generate the income you need on a quarterly or even monthly basis.
