Sommario/riassunto	A provocative look at the remarkable contributions of high-skill immigrant entrepreneurs in America Both a revelation and a call-to-action, Immigrant, Inc. explores the uncommon skill and drive of

America's new immigrants and their knack for innovation and entrepreneurship. From the techies who created icons of the new economy-Intel, Google, eBay and Sun Microsystems-to the young engineers tinkering with solar power and next-generation car batteries, immigrants have proven themselves to be America's competitive advantage. With a focus on legal immigrants and their odyssey fro
