Sommario/riassunto	In an age of twenty-four-hour news coverage and cutting-edge technology, world events dominate our lives and impact the financial markets. From hurricanes to the war in Iraq, we exist in a crazy, connect-the-dot planet. However, the well-prepared investor can turn these events into profits. All they need is the ability to recognize the consistent characteristics of these events and the vision to build a strategy or portfolio that can take advantage of these situations when they begin to unfold. As a foreign exchange strategist with over twenty years of financial experience, author Andrew Bus
