Sommario/riassunto	Take a proven approach to short-term trading. Winning the Day Trading Game offers an insider's view of the trading life and provides proven strategies for profitable trading. Professional trader Tom Busby explains how the strategies that made him so much money early on in his career ultimately failed during the 1987 stock market crash and then reveals how he reinvented himself as a high-percentage day trader. He interweaves personal experiences with technical explanations to outline the cornerstones of his technique. In highlighting his own trading experiences, Busby cle
