Sommario/riassunto	This is the first volume to analyse systematically the role of neoliberalism in contemporary processes of urban restructuring. Includes contributions from leading scholars in the fields of critical urban studies, radical geography and state theory. Analyses the role of neoliberalism in contemporary processes of urban restructuring. Synthesises a variety of new theoretical approaches to key issues in contemporary urban studies. Incorporates new case study material of ongoing urban transformations in the USA, Canada, the UK and other Western European countries.
