Sommario/riassunto	Covering interesting and varied philosophical terrain, Cycling - Philosophy for Everyone explores in a fun but critical way the rich philosophical, cultural, and existential experiences that arise when two wheels are propelled by human energy. Incorporates or reflects the views of high-profile and notable past-professional cyclists and insiders such as Lennard Zinn, Scott Tinley, and Lance Armstrong. Features contributions from the areas of cultural studies, kinesiology, literature, and political science as well as from philosophers. Includes enlightening ess
