Notes on Contributors

Sommario/riassunto

Progressing from the first flirtatious moment of eye contact to the
selection of a "mate," this enlightening book offers playful
philosophical explorations of the dating game for anyone who has
dated, is dating, or intends to date again. Offers amusing and
enlightening philosophical insights into the dating gameHelps
demystify coupling in the 21st century for those young daters just
entering the fray, and those veterans returning to the gameFeatures
contributions from a wide range of disciplines, including philosophy,
psychology, communications, theolo
