Sommario/riassunto	"Complete Family Wealth is a comprehensive resource for growing, maintaining, and managing wealth across generations. A successor to the classic Family Wealth, now in its 20th year, this book provides updated and expanded guidance to change the way you think about your wealth and legacy. This team of expert authors--who brought the field not only Family Wealth but also Family the Compact, The Cycle of the Gift, The Voice of the Rising Generation, and Family Trusts--ground Complete Family Wealth in a clear account of the "five capitals": human, intellectual, social, spiritual, and financial. The discussion covers the "what," "who," and "how" of family wealth management in clearly-delineated chapters that allow you to dip in as needed, from the principles of family enterprise to family governance, philanthropy, and more. Each family member plays a distinct role, and by exploring each member's responsibilities in terms of the family enterprise, this book provides insights and ideas for real-world families struggling with all-too-common challenges"--Provided by publisher.
