## Sommario/riassunto

How to manage and profit from the new financial regulatory reality  
Now, more than ever, navigating the new financial regulations is  
paramount for the survival of many large institutions. Managing to the  
New Regulatory Reality: Doing Business Under the Dodd-Frank Act  
provides the most important, need-to-know lessons for private sector  
management, boards of directors, policymakers, and even regulators,  
shedding light on the movement from crisis to panic, regulatory reform  
to winning under continuing financial regulatory uncertainty.Reviews  
the causes of 2008's financial crisis,
