Sommario/riassunto	Wall Street Journal BestsellerValuable insights on monetary policies, their impact on your financial future, and how to protect against them Written by the New York Times bestselling author team of John Mauldin and Jonathan Tepper, Code Red spills the beans on the central banks in the U.S., U.K., E.U., and Japan and how they've rigged the game against the average saver and investor. More importantly, it shows you how to protect your hard-earned cash from the bankers' disastrous monetary policies and how to come out a winner in the irresponsible game of chicken they're playing with the glo
