Sommario/riassunto	Featuring a Foreword by Roger Knowles FRICS, FCIArb, FQSi, Barrister The book discusses the different types of claim common to construction contracts and presents a step-by-step guide which demonstrates the process of building up the submission of a claim. It includes guidelines as to how to set out the claim, section by section in a logical manner to ensure that the essentials of a successful claim are included. Worked examples of claims for variations, extensions of time and additional payment are included together with sample wording showing precisely how the claim may be pres
