Sommario/riassunto	Praise for The Three Skills of Top Trading""Professor Pruden's new book, The Three Skills of Top Trading, is unquestionably the best book on a specific trading method and the necessary attributes for trading that I have read. His logic, understanding of human foibles, and use of

the Wyckoff method of trading are broadly referenced, readable, understandable, and entertaining."- Charles D. Kirkpatrick, II, CMT, coauthor of *Technical Analysis: The Complete Resource for Financial Market Technicians*, Editor of the *Journal of Technical Analysis*, and board member of the Market Tec
