Titolo	Endangered Languages in the 21st Century / Christopher Moseley, Eda Derhemi
Pubbl/distr/stampa	[s.l.] : , : Taylor and Francis, , 2023
ISBN	9781000835458 1000835456
Descrizione fisica	1 online resource (318 p.) : ill
Disciplina	306.44
Soggetti	Foreign Language Study Language Arts & Disciplines / Linguistics / Historical & Comparative Language arts
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p><P></P> <P></P>Endangered Languages in the 21st Century </P>provides research on endangered languages in the contemporary world, the challenges still to be faced, the work still to be done, and the methods and practices that have come to characterize efforts to revive and maintain disadvantaged indigenous languages around the world.</P> <P>With contributions from scholars across the field, the book brings fresh data and insights to this imperative, but still relatively young, field of linguistics. While the studies acknowledge the threat of losing languages in an unprecedented way, they focus on cases that show resilience and explore paths to sustainable progress. The articles are also intended as a celebration of the 25 years' work of the Foundation for Endangered Languages, and as a parting gift to FEL's founder and quarter-century chair, Nick Ostler.</P> <P>This book will be informative for researchers, instructors, and specialists in the field of endangered languages. The book can also be useful for university graduate or undergraduate students, and language activists.</P></p>
