Descrizione fisica	1 online resource (1 p.)
Collana	Bamberger Geographische Schriften - Sonderfolge
Soggetti	Science / Earth Sciences / Geology Science
Lingua di pubblicazione	Tedesco
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This volume is the fifth part of a sequence of physical-geographic investigations, which have originated in the years from 2008 to 2017 at the Bamberger department of Physical Geography in cooperation with the Bavarian geological service (LfU). It concerns quaternary geological mappings in the Bavarian Isar and Danube valley as well as in the valleys of the Großer and Kleiner Laber.
