Sommario/riassunto	<p>For two-semester Principles of Economics courses at universities Reveal the relevance of economics through real-world business examples One of the challenges of teaching Principles of Economics is fostering interest in concepts that may not seem applicable to students' lives. Economics, Fifth Edition makes economics relevant by demonstrating how real businesses use economics to make decisions every day. Regardless of their future career path-opening an art studio, trading on Wall Street, or bartending at the local pub-students will benefit from understanding the economic forces behind their work. This program provides a better teaching and learning experience-for you and your students. It will help you to:</p> <ul style="list-style-type: none"> * Personalize learning with MyEconLab: This online homework, tutorial, and assessment program fosters learning and provides tools that help instructors to keep students on track. * Show students how economics is relevant: Relatable features ground course material in the real world, showing students how these ideas are relevant and facilitating understanding.* Foster thorough understanding via a flexible, student-focused approach: An engaging, captivating writing style and student-friendly learning aids motivate and engage students.
