| Livello bibliografico | Monografia |
| Sommario/riassunto | One of Dostoevsky's greatest accomplishments, <i>The Brothers Karamazov</i> mixes philosophy, spiritual drama, deep psychological introspection, and nuanced cultural critique into a single epic work. The novel tells the story of the Karamazov family, and specifically the three brothers: Dmitri, the sensualist, Ivan, the rationalist, and Alexei, the novel's hero, a young monk. It chronicles their relationships with each other, with their father, and with the town in which their father lives, as well as with God, religion, love, and sex. It has often been cited as one of the greatest works of literature ever written. Featuring the classic Constance Garnett translation. Random House Canada is proud to bring you classic works of literature in ebook form, with the highest quality production values. Find more today and rediscover books you never knew you loved. |
