Leprous Daybreak -- 9. Bitter Legacies -- 10. Divided Families -- Epilogue -- Notes -- Select Bibliography -- Index
Sommario/riassunto	This new edition of Yasmin Khan's reappraisal of the tumultuous India-Pakistan Partition features an introduction reflecting on the latest research and on ways in which commemoration of the Partition has changed, and considers the Partition in light of the current refugee crisis. Reviews of the first edition: "A riveting book on this terrible story."-Economist "Unsparring. . . . Provocative and painful."-Times (London) "Many histories of Partition focus solely on the elite policy makers. Yasmin Khan's empathetic account gives a great insight into the hopes, dreams, and fears of the millions affected by it."-Owen Bennett Jones, BBC
