Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Often attributed to William Basse, Edward Phillips or Edward Pond; this attribution, however, is doubtful. Ir (p. 199) is a special title page, reading: The countrey-mans counsellor: or necessary addition to this yearely oracle, or prognostication. Calculated by art as a tutor for their helpe, that otherwise buy more then they vnderstand. Beginning with this yeare of our Lord God, 1627. ... Mr (p. 257) is a separate title page, reading: Sphinx and Oedipus: yet further propounding and dissolving of riddles. Or, A supplement, or new supply of additions, pertinent to this former misselanie, or helpe to discourse. Title within border of printers' ornaments; initials. Signatures: A-Q ¹² (last leaf blank). Contains notes regarding provenance on preliminary blank leaves. Imperfect: stained, worn, and with print show-through, and loss of print. Reproduction of the original in: British Library.
