Sommario/riassunto	"The iconic leader of one of America's most powerful unions, Harry Bridges put an indelible stamp on the twentieth century labor movement. Robert Cherny's monumental biography tells the life story of the figure who built the International Longshore and Warehouse Union (ILWU) into a labor powerhouse that still represents almost 30,000 workers. An Australian immigrant, Bridges worked the Pacific Coast docks. His militant unionism placed him at the center of the 1934 West Coast Waterfront Strike and spurred him to expand his organizing activities to warehouse laborers and Hawaiian sugar and pineapple workers. Cherny examines the overall effectiveness of Bridges as a union leader and the decisions and traits that made him

effective. Cherny also details the price paid by Bridges as the US government repeatedly prosecuted him for his left-wing politics. Drawing on personal interviews with Bridges and years of exhaustive research, Harry Bridges places an extraordinary individual and the ILWU within the epic history of twentieth-century labor radicalism"--
