Sommario/riassunto	A detailed look at how to fix the hedge fund industry The Future of Hedge Fund Investing spells out in refreshingly stark terms exactly how the industry let down its clients, and the changes needed to restore their confidence. Written by Monty Agarwal, the founder of Predator Capital Management, this insider's guide gives a full assessment of the business, including the advantages of hedge funds, their pitfalls, and,

most importantly, how to avoid these missteps. The book begins by describing the hedge fund universe, which includes funds and fund of funds; fund regulators, ma
