Sommario/riassunto

Trading the financial markets is extremely difficult, but with the right approach, traders can achieve success. Nobody knows this better than authors Larry Pesavento and Leslie Joufflas, both traders and educators of traders, who have consistently used pattern recognition to capture profits from the markets. In *Trade What You See*, Pesavento and Joufflas show traders how to identify patterns as they are developing and exactly where to place entry and exit orders. While some patterns derive from the techniques of Wall Street's earliest traders and other patterns reflect Pesavento's emphasis
